

BIYAYA COMMUNITY CHURCH

July 20, 2007

Dear _____,

With gratefulness to the goodness of God, Biyaya Community Church wishes to share with you the opportunity and challenges it had in sharing the gospel of our Lord and Savior Jesus Christ to the unchurched in the southwest community of Metro Houston. Biyaya Church has been involved in the Lord's ministry for seven years now and while it is steadily growing, services and activities were being held on "borrowed ground."

After much prayer and searching for God's will and purpose for the church, the members came to a decision of having their own place of worship. The challenge is tremendous and the opportunities are great.

With this, we come to you for assistance. We believe that as the Lord has blessed you in whatever way, you may also share that blessings to us as we build a house of worship and fellowship not only for the members of Biyaya Community Church but also for those whom God will send to its doors and be part of this community of faith.

Enclosed is a pledge form. Please fill it out as you seek God's will on how much and when you could give.

For His ministry,

SUSAN L. FERNANDEZ
Chair, Building Fund Campaign
